

Parimal Ramkrushna Salunkhe

Electronics and Telecommunication Engineering

R C Patel Institute of Technology Shirpur

(An Autonomous Institute)

(Email ID : patilparimal12@gmail.com)

Mob-9370533630

B.Tech.

Gender: Male

DOB: 12-11-2001

R. C. PATEL
INSTITUTE OF TECHNOLOGY
An Autonomous Institute

Examination	University	Institute	Year	CPI / %
Graduation	Dbatu Lonere	R C Patel Institute of Technology	2024	7. 81
12th	State Board	A S C College Chopda	2020	67.38%
10th	State Board	S S Patil Vidya Mandir Chahardi	2018	80.00 %

Pursuing a **Minor** degree in **Computer Science** offered by **Computer Science and Engineering Department**

MAJOR PROJECTS

Digital Clock

January 2022 - Present

Guide: Prof. J.P.Patil

All-student team working on the design and develop digital clock a digital clock displays the current time. It displays the time digitally in 12 hour format as HH.MM. the clock is built using AT mega 328P IC.

Automatic Floor Cleaning Boat

June 2022 – Present

Guide: Prof. J.P.Patil

All-student team working on the design and develop Automatic Floor Cleaning Boat. Hereby we come to an end of or project “Automatic Floor Cleaning Bot”. This project gives us an idea of sensors working and the microcontroller IC ATmega328P.

Historical Place in India

September 2022-present

In this project am made a web page on Historical Places in India **by** using HTML and CSS.

In this project I am add some images of Historical places and a brief description of that historical places.

The Web Page is made by using Grid Box and should have a fixed Header and Footer.

Weather Forecast App

September 2022 - Present

In this project I am made a Weather Forecaster app by using HTML, CSS & java Script. By using HTML and CSS i am made a front end and using java script i am made a back end for this Weather forecasting app in this app we will search a different types of cities Temperature, Humidity, Due Point Sunrise, Sunset for next 7 days.

Software Developer

August 2022 - Present

I am recently completed *an* internship with Teach Nook Software Company. The Domain is Web Development

I am also made a website the website is <https://neweducation.bookmark.com>

Project in python is – Hello You, Email Slicer, Creating a heath Potion.

TECHNICAL SKILLS

Programming C, C++, Python, Java, SQL, Java Script, dbms

Frameworks Arduino IDE

KEY COURSES UNDERTAKEN

Computer Science HTML, CSS, Data Structure and Algorithm

INTERESTED COURSE

Computer Vision, App Development, Internet Of Things (IOT), Arduino With C++, Raspberry PI, Robotics, Artificial Intelligence (AI), Virtual Reality, Data Science, Machine learning, Ethical Hacking and Cyber Security.

EXTRA CURRICULUM

- . I am complete a fast-track internship with I Digital Preneur Academy
- . I am clear coding ninjas coding round with Rank 22389
- . I am prepared a Solar Car Project

COUSE CERTIFICATES

Java Programming, Python and Computer Vision, Python and Machine Learning, Information Security Career Path Intro, Introduction to Deep Learning, introduction to IT and Cybersecurity, The Fastrack internship, Coding ninjas.
